

2020/21 SETUP / BBQ & ACTIVITY PROGRAM

- In order to help get the beach set up more efficiently on Sunday mornings and to help share the load we require two age groups per week to supply at least 2 – 4 helpers for this task.
- This year we also require the age groups to organise parents for BBQ help on the same week as set up duty.
- Age managers will be required to organise this 1-week prior to their allocated dates. Helpers can be the managers themselves and/or parents from their age group.
- Helpers will be required to meet at the clubhouse at 8.30am on the Sunday morning.
